

# Test Report

Spectrum Overview

## EMI Final Results

| Rg | Frequency [MHz] | QPK Level [dBµV] | Correction [dB] | Meas. BW [kHz] | Meas. Time [ms] | Time of Meas. | Source          | Comment |
|----|-----------------|------------------|-----------------|----------------|-----------------|---------------|-----------------|---------|
| 1  | 38,790          | 33,15            | 0,00            | 120,000        | 100,000         | 10:52:11      | Critical Points |         |
| 1  | 69,570          | 33,76            | 0,00            | 120,000        | 100,000         | 10:52:13      | Critical Points |         |
| 1  | 72,630          | 31,12            | 0,00            | 120,000        | 100,000         | 10:52:14      | Critical Points |         |
| 1  | 77,910          | 28,53            | 0,00            | 120,000        | 100,000         | 10:52:16      | Critical Points |         |
| 1  | 96,600          | 24,60            | 0,00            | 120,000        | 100,000         | 10:52:17      | Critical Points |         |
| 1  | 168,000         | 27,96            | 0,00            | 120,000        | 100,000         | 10:52:19      | Critical Points |         |
| 1  | 661,170         | 23,49            | 0,00            | 120,000        | 100,000         | 10:52:21      | Critical Points |         |
| 1  | 720,120         | 20,86            | 0,00            | 120,000        | 100,000         | 10:55:32      | Critical Points |         |
| 1  | 760,620         | 23,60            | 0,00            | 120,000        | 100,000         | 10:52:22      | Critical Points |         |
| 1  | 791,370         | 26,73            | 0,00            | 120,000        | 100,000         | 10:52:24      | Critical Points |         |
| 1  | 867,960         | 16,03            | 0,00            | 120,000        | 100,000         | 10:52:26      | Critical Points |         |
| 1  | 907,770         | 15,87            | 0,00            | 120,000        | 100,000         | 10:55:34      | Critical Points |         |
